WELCOME COCKTAIL PARTY

Friday, October 18, 6:00 pm

Nancy Cole

Your hostess, Nancy, will hold a casual Open House Cocktail Party (cash bar). You may attend as "boy-self" (because some of us are still unpacking and getting settled in) or as "girl-self." In short, it's a COME AS YOU ARE party to meet the other Fair participants and some of our dear friends from Provincetown. It is a delightful occasion to unwind. Nancy and the ladies will introduce you around to help get to know everybody. Who knows, you may even join a few friends to go out on the town afterwards for a bite to eat and a bit of disco.

PARTICIPANT ORIENTATION

Saturday, October 19, 10:00 am

Ari Kane

Come find out what all the fuss is about. Start your Fair right. This orientation session will give you valuable insights into how the Fair works and how you can get the most out of your Fair.

PARTNERS ORIENTATION

Saturday, October 19, 11:00 am

Dr. Marilyn Volker

At Fantasia Fair '86 we introduced the term PARTNER as the companion to PARTICIPANT. This was due, in part, to the attitude of Fair management towards gender equality and the fact that a PARTNER to a crossdresser, regardless of gender or sex, faces the same needs to share with other PARTNER. In the past three years our returning PARTNER have

served to greet our new PARTNERS before and during registration so that they might have a helpful friend who understands.

This session, separate from the main Orientation Program, will allow the newcomer to have a morning cup of coffee while one of the returning partners provides an overview of the Fair and discussion of plans for the Partners Program for the week.

PARTNERS LUNCHEON

Saturday, October 19, 12:15 pm

Dr. Marilyn Volker, Ed.D.

Marilyn Volker has been a certified sexuality educator for the past 22 years and is currently on the faculty at the University of Miami Medical and Nursing Schools, where she teaches sexuality courses. Dr. Volker is also a member of the board of the Outreach Institute where she addresses the concerns of wives and partners of both transvestites and transsexuals. Dr. Volker will share her views on gender and encourage partner participation in discussions.

SEMINAR LUNCH

Saturday, October 19, 12:15 pm

Laura Caldwell

• **On The Town:** This luncheon seminar will be guided by the capable leadership of Laura ("Sweetie Pie"). Laura, and her panel will discuss various aspects of going out in public on the town with a partial focus upon Provincetown. For new-comers and old-timers alike, Laura's panel will provide some practical suggestions on how to handle yourself in public, particularly when you are confronted by unusual situation or confrontations. Questions will be handled by the panel. Laura promises a light and lively seminar. This luncheon is a part of your FanFair package.

COSMETIC WORKSHOP

Saturday, October 19, 2:00 pm

Jim Bridges

Jim Bridge's 27 years in the beauty industry has established him as one of the nation's leading beauty authorities. His work encompasses film, stage, and photographic makeup. In addition, Jim did a stint as the regional director of cosmetic training for Revlon in New York city. Now, firmly ensconced in Los Angeles, Jim travels to all the major events in the gender community teaching makeup techniques. This special workshop uses a "hands-on" approach to show you how to create a more attractive feminine face.

PERSONAL DEVELOPMENT I

Session 1, Saturday, October 19, 4:00 pm

Niela Miller

Special Program not included in the Basic package. You must preregister for this course. Additional sessions Mon. and Fri.

This workshop helps the new fair-goer and those recently out of the closet transcend feelings of insecurity, shame or guilt. We share our stories, help each other find constructive approaches to some of the difficulties encountered when exercising our right to express our feminine selves, and make a separation between society's and others' problems with crossdressing behavior and our self-imposed problems over which we have total control. The facilitator draws out whatever is of concern to participants and addresses each issue at the level the person is ready to work. The final session will be devoted to a successful transition back to our lives at home.

MEDICAL PANEL WORKSHOP

Saturday, October 19, 4:30 pm

Drs. Sheila Kirk & Rony Stevens

This panel workshop will explore various medical aspects of crossdressing, such as: Crossdressers and Hormones; Crossdresser Health Risks; Transsexual Pre-Op Care; Transsexual Surgery; Post Operative Risks; and subjects of interest to attendees

BASIC SPEECH

Session 1, Saturday, October 19, 5:30 pm

Dr. "Bud" Heuer

Special Program not included in Basic package. You must preregister for this course. Additional sessions Sunday, Mon. & Fri.

Basic Speech will consist of four sessions conducted in a group setting. Each session will last 90 minutes. Training will cover these aspects of speech: relaxation, resonance, pitch control, pronunciation, articulation, and conversational style.

CHURCH

Sunday, October 20, 11:00 am

On each of the two Sundays that Fantasia Fair is in town we are invited to attend the Universalist-Unitarian Church and Meeting House as their guests. After services we have a chance to mingle with and meet members of the congregation. And after the sermon on the second Sunday we make a formal presentation of our "rent" check as a donation to the church's restoration fund.

PERSONAL DEVELOPMENT II

Session 1, Sunday, October 20, 12:30 pm

Niela Miller

Special Program not included in the basic package. You must pre-register for this course. Additional sessions Tue. & Wed.

This workshop is for the returning fair-goer, those who have been in Personal Development I, and those who are relatively comfortable with their crossdressing, but want to delve more deeply into the feminine psyche. We work on the development of the inner woman, the recognition and release of feelings, the use of intuition and non-verbal behavior for making connections, and building trusting, loving relationships for support and nurturance. The idea of gender exploration as a Spiritual Path is introduced.

COUPLES WORKSHOP

Sunday, October 20, 2:00 pm

Dr. Marilyn Volker

Special Program not included in the basic package. You must pre-register for this course.

The Dance of Intimacy — Leading, Following, or Sitting Out the Dance! The "dance of intimacy" between partners is a life long experience — learning new information and new dance steps adding to the prelearned and expected ones. Intimacy means knowledge of and sharing of one's most personal and private feelings, trusting that the sharing process will be respected.

This interactive presentation will highlight components of intimacy with particular strategies for partners of crossdressers. Eight types of intimacy — only one of which is sexual — will be discussed along with the impact of these types relevant to gender presentation. We will talk sex — and specific challenges to partners. Communications models will be reviewed and YOU — the real experts — will create, share, evaluate, and strategize. You may feel like you are dancing with two, but your knowledge, practice, and willingness to lead, follow, or sit out parts of the dance, can mean a fulfilling, loving, and respectful relationship — keys to the dance of intimacy.

FASHION SHOW AUDITIONS

Sunday, October 20, 2:00 pm

Winnie Brant

The FanFair Fashion Show features casual sports and daytime wear during the first half and “After 5” outfits (cocktail and evening dresses) and special occasion ensembles (wedding gowns) are featured in the second half. Plan to model one or two of your favorite outfits. There will be at least two hours of rehearsal practice and instruction, so come on and be a model; it’s will be a thrilling highlight of your Fair.

COSMETIC WORKSHOP II

Sunday, October 20, 3:00 pm

Jim Bridges

Please see the description of this workshop on page 13.

FANFAIR FOLLIES AUDITIONS

Sunday, October 20, 2:00 pm

Alison Laing

Maybe your secret FANTASY has been to perform in front of a live audience; sing like Whitney Houston, be abrasive like Joan Rivers, do a seductive strip tease, or just do your own thing. Here’s your big chance. Many people from the Cape come to see this wonderful amateur show every year. You must audition to be in the show and this is your first chance, so get there early. If performing is not your forte, then

consider helping us with the production of the show. We can use your services. Whether you are a star or crew, there's no business like show business, and none more fun than the FOLLIES.

BASIC SPEECH

Session 2, Sunday, October 20, 4:00 pm

Dr. "Bud" Heuer

This is a Special Program not included in the basic package. You must pre-register for this course. See description on page 14.

PARTNER'S COFFEE CALL

Mon to Sat., Oct 21 - 26, 9:00 am

Dr. Marilyn Volker

Monday through Saturday morning there will be a morning coffee call for partners, spouses and friends. This free morning meeting is designed to facilitate any plans some of the group may have for the day and give others an opportunity to join in. Also, a group of the partners from previous Fairs are working on very important plans to help those who are dating or married to a crossdresser. This meeting will help to plan work sessions for the coming day. But, most importantly, this morning get-together will give the group a chance to know each other and share.

FASHION & BEAUTY PROGRAM

M-W-F, Oct 21-23-25, 10:00 am

Muriel Olive & Vernon Porter

This is a 3-day course. Classes are held M-W-F morning at the same time each day. This course is part of the basic package.

This class covers the basic curriculum of a Charm School and much more. The hands-on instruction focuses exactly upon the special technical problems of a male with full secondary characteristics wanting to look like an attractive woman.

The course is offered to all participants on Monday, Wednesday, and Saturday with a "continental breakfast" buffet prior to each work session as an inducement to our sleepy heads to rise and shine and learn the secrets of beauty from our experts.

LEADERSHIP TRAINING I

Monday, October 21, 1:00 pm

Kane, Cole, Laing & Roberts

Have you ever wondered why some groups flourish while others die away? The answer is leadership, an indefinable quality, but one that is teachable as a skill. This program consists of three two-hour workshops (a total of 6 hours) to help you acquire the quality leadership skills to keep your group alive and healthy. This first session will cover Introduction to Leadership by Alison Laing and Group Dynamics led by Nancy Cole. Topics will include: What is a leader? Leadership styles, the Feminine advantage, Empowering Others, Group Roles, styles and attitudes, Group Tasks and decisions, Maintaining Order, Dealing with Emotions and Group Norms.

PERSONAL DEVELOPMENT I

Come enjoy an ocean cruise, breathe the fresh salt air, and feel the ocean breeze waft through your hair. After all, what's the point of vacationing at an ocean resort and not to enjoy the ocean to its fullest? You might just as well be in Iowa! You should dress warmly since the ocean is a bit chilly in October. Dramamine is available, so no excuses. Come along, have a great time, and bring lots of film. We meet at Dolphin Fleet located on Macmillan Wharf.

SEMINAR LUNCH

Tues.-Sat., October 22-26, Noon

We have a great series of seminar luncheons planned for you this year. Here are the seminars for Tuesday, Oct. 22nd.

• **Legal Aspects of Crossdressing:** Yvette DuCharme will discuss two important topics; (a) street smarts for the crossdresser and how to avoid criminal charges for disguise, and (b) for transsexuals, what other documentation, besides a change of name, needs to be changed and recorded.

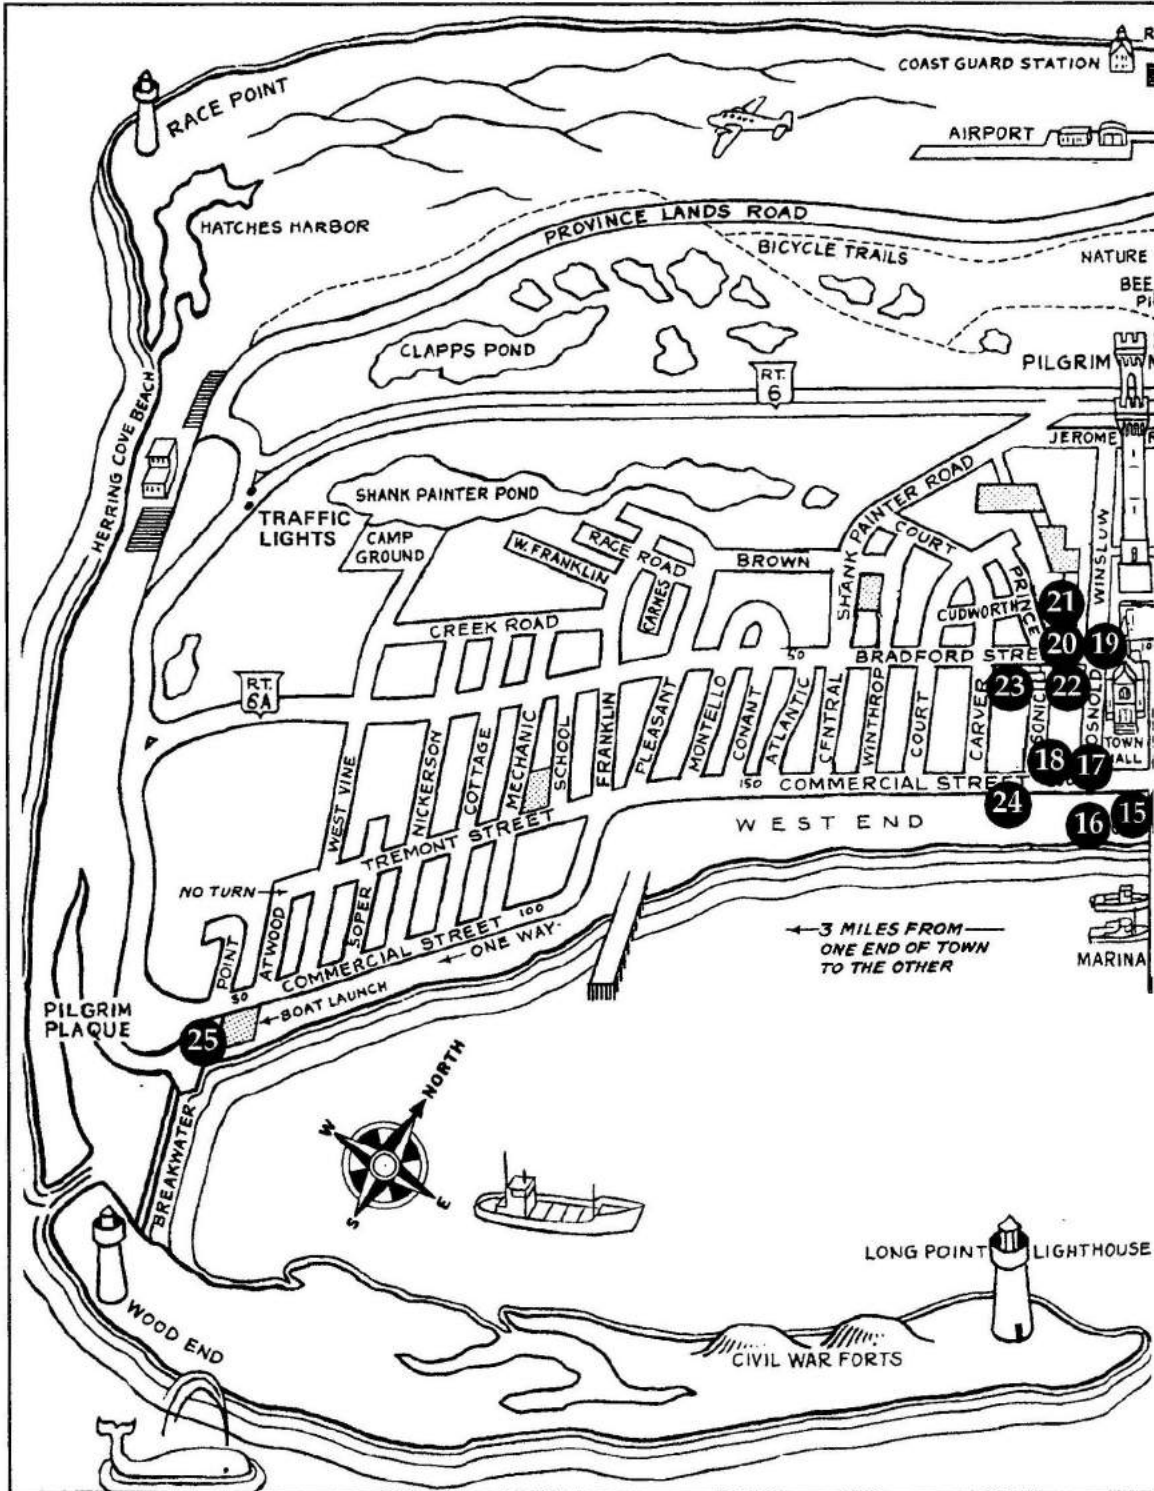

• **Senior Crossdressers — Lifestyle Options:** Panel Discussion. Three senior crossdressers, Jane Peabody, Barbara Cragg and Virginia prince, share how they altered their lifestyles to integrate crossdressing into their lives upon retirement from the business world. A question and answer session will follow the discussion.

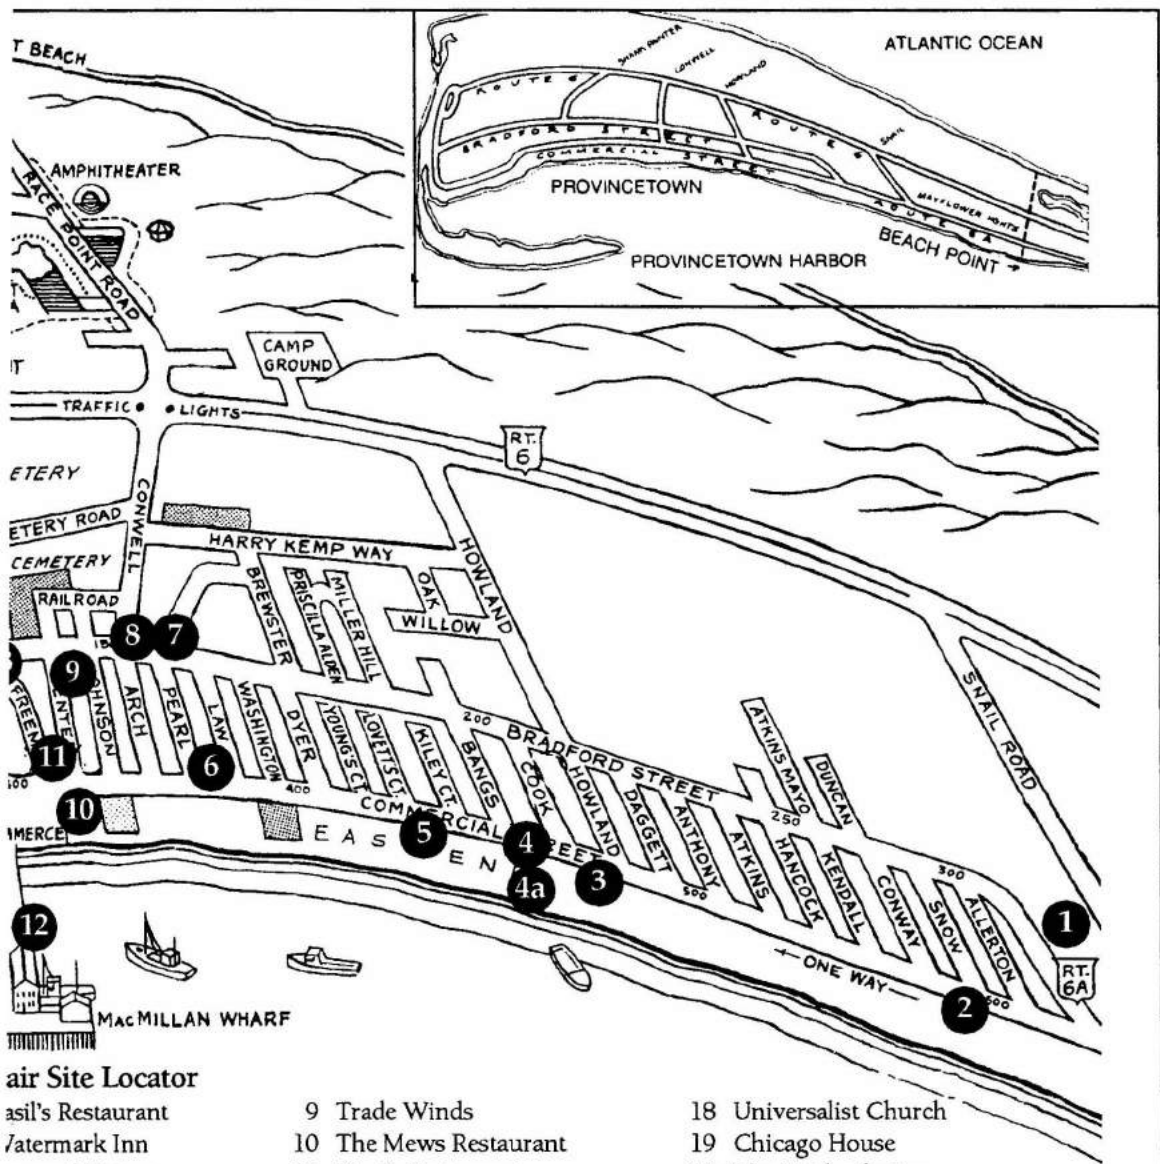

LESBIANISM & RELATIONSHIPS

Tues., October 22, 2:00 pm

Katina Rodis

Many 'heterosexual' transsexuals enter lesbian society during their transition and after their surgery. These individuals present a problem to the militant "born female" lesbians, as typified by the diatribe against them by Janice Raymond in "The Transsexual Empire." There is also the problem that prior to the surgery the community is very supportive but, once surgery is completed the position is reversed

PATRIARCHY & THE GIRL INSIDE

Thursday, October 24, 9:30 am

Dr. Richard Docter

Special Workshop not included in Basic package. You must pre-register for this program.

Books about growing up male, male bonding, masculine rites of passage, and discovering hidden links to your patriarchal heritage are very much in vogue. We are told to get in touch with the real man inside and we'll feel better. But what is known of the factual differences between men and women? What myths of gender differences are sustained throughout our culture and within the gender community? Is it true that men and women are far more different than they are alike? How may a transformation of gender identity, as in your Fantasia Fair experience, compliment or threaten your masculine self-esteem — or your feminine self-esteem?

SEMINAR LUNCH

Thursday, October 24, Noon

• **Erotic Power and Games:** Bill Henkin and Sybil Holiday. Sybil is a certified safe sex educator, an image consultant to the gender community and a professional dominant. Bill is a board certified sex therapist, licensed marriage and family counselor and president of the San Francisco Bay Area chapter of the Society for the Scientific Study of Sex..

• **Working As A Woman:** Dr. Kathy Abass is a genetic female and feminist interested in the use of role models. Because of her interest in our community and her academic credentials in cultural anthropology, she is a natural to tell us about Working As A Woman. Using as her focus the "Pink Collar Worker" she will explore with you the jobs in our "equal opportunity" society which are basically filled by women only, and why. She will also explore what it would be like if YOU were to work as a woman. Since many pre & post-op transsexuals leave their original positions to join the "Pink Collar" work force, what should they expect?

INTRODUCTION TO S/M & B/D

Friday, October 25, 2:00 pm

Bill Henkin & Sybil Holiday

Thanks to sensationalistic stories, bad pornography and other media, many intelligent people think of consensual sadomasochism (S/M) and Bondage & Discipline (B/D) as forms of abuse, rather than what they can be: pleasurable sexual variations that may include fantasy, humor, fun, sexual theater, role reversal, the exchange of erotic energy and even deep spirituality. Come hear the myths debunked and discuss the reality. Learn about safety and techniques, styles of play and have your questions answered with anonymity

Dr. Richard Docter

Special Workshop not included in Basic package. You must pre-register for this program.

How can "self-theory" be a practical tool in understanding yourself? Can your gender envy be a defense against uncertain self-esteem? Why is it so difficult to be fully aware of our beliefs and feelings about ourselves? Can you find a comfortable "center" that fits your own masculine and feminine attributes.

FANTASY BALL/AIDS BENEFIT

Friday, October 25, 8:00 pm

Leanette, Delia & Rony

Our one and only Leanette, fleeing from the drag bars of Florida, is coordinating the Annual Fantasy Ball, this sponsored jointly by the Outreach Institute and the P'town AIDS Support Association. There will be raffles, door prizes, costumes prizes and more. So, welcome to Mardi Gras and Hallowe'en all rolled into one great event. Bring your fantasy gown, or beaux arts delight (so long as its not too risqué)! Be Barbarella, Scarlet O'Hara, Madonna, Sally Ride, Don Juan's reckless daughter, or your favorite heroine or hero! There will be dancing, party-party-party, and a panel of judges who will award prizes for costumes, Mr. and Ms. Turn-about Provincetown, and many other fun categories. Watch the crowning of Ms. Fantasy Ball Debutante and Mr. Fantasy Ball.

GUEST SEMINAR

Saturday, October 26, Noon

Bill Henkin & Sybil Holiday

Special Program not included in the Basic package. You must pre-register for this program.

Alternate Personas: Many people in the gender community already have a good deal of experience bringing forth one or more of their alternate or "second" selves. In a completely different venue, we hear a great deal these days about the "inner child," that psychological part of each of us whose innocent and trusting observations, insights, pains, and joys affect us all throughout our adult lives.

In this informal seminar, Henkin and Holiday will show slides of several of their own prominent personas, discuss ways they think they came about, how they discovered them and what they mean in their day-to-day lives, and speak about some ways people can access more of their own personas than they already know. There will be time for questions.

FASHION PHOTOGRAPHY WORKSHOP

Saturday, October 26, 2:30 pm

Mariette Pathy Allen

This workshop will cover the difference between fashion and portrait photography. It will also cover moving in clothes to show character. There will be a lighting demonstration to explain angles and directions. You'll learn how to improve your photos when you're both the model and the director. You'll also learn what to avoid when posing for photos.

FF AWARDS COCKTAILS & BANQUET

Saturday, October 26, 6:30 pm

Jenifer Brown & Jane Peabody

A truly wondrous evening will suddenly arrive on Saturday, as if by magic. You will be surrounded by beautiful women all dressed in lovely gowns; and you will be one of them! There is a strange dream-like quality to that moment when you realize how much you have all grown closer to become true sisters. As you sip a cocktail you muse over how it can be that in such a short time your "plainest" sister has been transformed into such a pretty woman. Many such thoughts crowd your mind as you drift into the banquet room to join the others in a formal sit down

The Awards Banquet is an event filled with memories for those who return year after year to Fantasia Fair. As the awards are presented (Ms. Femininity, Ms. Best Dressed, Ms. Most Helpful, Ms. Cinderella, Ms. Congeniality, The Outreach Award, and, of course, Ms. FANTASIA FAIR) we think of the beautiful ones who have done so much to make this Fair, and those in the past, such delightful events, the program coordinators, who in turn receive their service awards. The Awards Banquet is always an experience to remember.

Muriel Olive & Fem Fashions

Muriel will be providing color analysis and a computerized size and fashion analysis, as well as several other specialized fashion and beauty consultations and workshops. Make-up services are available at the Fair, by appointment, for \$30.

available to you the next day followed by a free half-hour critique to help you with your new image. Two 30 minute sessions.

- **Color Analysis** will determine your undertone and season with its full spectrum of colors. Color Analysis is the Art and Science of determining a person's best colors. Let your palette reflect your personality! 90 Minute Session by Appointment

- **Capsule Wardrobe Planning:** You will be shown how to take twelve of your loveliest pieces of clothing and mix and match them to create 30 or more fantastic outfits. 30 minutes. (You must have had a Color Analysis prior to this Consultation)

- **Scarf Tying & Accessorizing:** Come and learn how to tie your favorite scarf. Many flattering styles as well as the proper way to care for them will be shown. Accessories such as bows, flowers, and pins will be covered in proper placement on your garment. 60 minutes

- **Cosmetic & Wig Audit Consultation:** Bring your cosmetics (all of them!) and wigs. We'll check them for proper color according to your seasonal color palette. (You first must have had a Color Analysis) 30 minute session by appointment.
