# LADIES OF THE FAIR

**LAUREEN A. (NY)**

Laura is a returnee to FF. Definitely a Hargood Girl, wouldn't come to the Fair unless she could live in her home away from home. Likes pre-1930 jazz and the classics. Plays tennis. Loves to talk. disappointed in seeing bad manners. Delights in meeting intelligent people with a sense of humor.

**KATHY A. (RI) Sociological Seminar**

Interested in the feminist movement, role model training, and believes that crossdressers should learn their skills from a woman. She is an expert on the "berdache" cross-dressers among American Indian tribes.

**MARIETTE A. (NY) Staff Photographer**

Enjoys good CD stories, always seen with a camera, and delights in taking pictures of CDs caught up in deep thought. Does great portraits. Her efforts in educating the public in the nature of cross-dressing have been heroic.

**BRENDA A. (IL)**

A close friend to Sheila S. & Kay M. who is attending her third Fair. An earlybird returning to Chicago House to meet old friends and seek new ones. Loves all forms of music and the arts when not into tennis, skiing, and skating. "This is my time of the year to re-charge myself for the months ahead."

**KATHY B. (MI)**

Kathy devours condensed books and country western music while she does her sewing or rug hooking. She likes to share loving memories with people who care. She dislikes complainers. "Appreciate the person within and without exception." She seeks self-confidence and a pen-pal.

**EVE B. (IL) Fashion Show**

Loves jazz and easy listening music (including German cowboy songs). Likes golf and tennis. "Fortunate is the person who forgets what she can't change anyway." The Fashion Show and fun with her friends brings her to the Fair. Eve will be with her partner, Carol.

# LADIES OF THE FAIR

**JULIE ANN C. (NY)**

Julie was Winnie's room mate about 10 years ago, so she decided that it was about time to return. She likes to do housework for her partner as Julie Ann. Hmmm, wonder if she has one of "those" cute French maid's outfits too?

**STERLING S. (MA)**

**JEAN S. (or D.) (VA) Administrative Assistant**

**CHRIS S. (OH)**

A first year girl who loves to read mystery and spy stories to the sound of Queen! Adores shopping for high heels (attention Jane Peabody & Ariadne).

**MAUREEN T. (NY) Fan Fair Follies**

Maureen, and her partner Barbara, are organizing this years Follies. While flying off to play tennis or skiing she listens music or does woodwork while on auto pilot. Claims she is the world's tallest TV, in heels of course.

**CHERYL T. (VA) Femme Fair Daily Editor**

A first year girl who helps Betty Ann with her data base and meeting the people of P'town to put the Fair together.

**SUSAN T. (IA)**

Visiting us for the second weekend.

**LINDA W. (DE)**

Poor overworked Linda (posing for the Tapestry cover, you know, exhausting!) just plans to come to the Fair to do nothing. Fortunately, her partner Helga is here to help. "Lead me not into temptation - I will findeth it myself."

**JEANETTE W. (MI)**

A first year girl.

# LADIES OF THE FAIR

**PAM V. (NY)**

Pam plays the 12 string guitar and sings in a lovely natural voice. She is so beautiful that she finds it 'hard to be humble'. She cares about others and is always ready to help her sisters. She returns for the last weekend to join us again.

**JENNIFER O. (PA)**

Jennifer returns for the second weekend to visit her sisters. She will be with Pam. She studies the stars while listening to classical music. She doesn't like false nails that don't stay on. "Be honest with yourself."

**LOIS C. (NJ) Image Consultant**

Lois is a very good friend of the girls down in the NJ/PA area. In fact, no less than four of them suggested that we find a way to lure her to the Fair. We must apologize for the photo in the "Guide", but the rush of events caused problems. (Virginia is Michelle, Michelle is Virginia. Ariadne doesn't know who she is because we spelled her name wrong, and we are not at all sure that Naomi knows that her seminar is on Saturday?)

**CYNTHIA McC. (NJ) Image Consultant**

Cynthia joins Lois in her trip to Provincetown. She has a very pretty voice on the telephone. Her husband is probably wondering what she is up to because she has been trying out Betty Ann's beard cover applications on him to see how they work on a real dark five o'clock shadow. Who knows, maybe she will get him into a dress next?

**In the rush to put this stew together. We know that we left many of you out of it. It was not our plan. But, we could not wait any longer. It is 4:30 a.m., October 5th. And we are off to press. Irene R. in Hargood House will be updating this at the Fair. Please advise her as to any changes you would like.**
